

THE HUNTINGTON

MAIN FLOOR - 1704 Sq. Ft.

The Huntington combines a classic ranch style with extras to make it a wonderful place to come home to. The great room is anchored by a fireplace flanked by elegant, paned windows. The kitchen has tons of workspace with countertops and an island; the informal dining is bright and inviting with lots of windows. The master suite includes a huge bath with twin sinks and separate shower and tub, plus an extra large walk-in closet. Two additional bedrooms share a bath and linen closet, and the laundry room is also on the first floor off the oversized two-car garage.
