TIE DANIEL

Stone and siding combine curb appeal with low maintenance while side and transom windows on the front door add natural light into the home. The efficient floor plan defines rooms without enclosing space. Privacy is assured with the split bedroom floor plan. The dining room and kitchen provide open space for dinner parties and casual get-togethers. The full basement offers additional living space with a large family/entertainment room with fireplace and room for two additional bedrooms and a third bathroom.

MAIN FLOOR - 1613 Sq. Ft.

Finished BASEMENT - 991 Sq. Ft. / Foundation 1613 Sq. Ft.

*Optional room layout shown. Basement finish is not standard.
